

Let's go on a prayer walk

Heal

Pass a hospital, doctors, dentists or pharmacy

Pray for healing for those who are sick. Pray for an end to COVID in our nation.

Begin at your home.

Pray and ask Holy Spirit to fill you up to overflowing with God's love. As you walk ask God to fill the streets and houses you pass with His love and hope!

Love

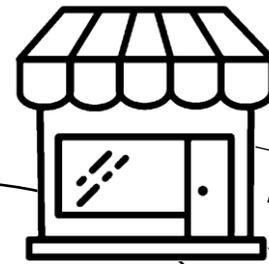

Listen

What does God want to tell you about his love for you today?

Pass a shop

Pray for all the shops and businesses which have been kept closed during the last year, pray for restoration that they would be able to reopen and grow.

Seek

Ask God for a picture of what our nation will look like healed and restored.

Restore

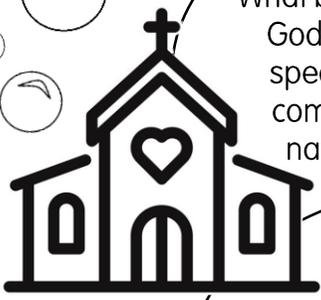

Pass a school

Pray for your friends and all children and schools in our nation that the times lost in classrooms and with friends would be restored.

Speak

What blessings does God want you to speak over your community and nation today?

Visit a church

Pray for the church in our nation, that they would be centres of blessing for our communities.
