Jesus rode on a donkey

Today's aim is to find out what happened in the days before Easter.

Luke 19:28–40

While for some children Easter is mostly about chocolate eggs, holidays and family occasions, this is an opportunity for our children to learn what Easter is really about.

In this story, Jesus receives the praise he was due as God's Son. The crowd recognised that he was the one who had come to save them. They did not understand how he would do it. He was really on the way to his death. But the Palm Sunday story is one of great joy. We can encourage the children to enjoy it fully.
